

CROSS CREDIT (CC)

This option is for you if you have completed a **similar** unit standard from a qualification awarded by Skills or another New Zealand Institution. You don't need to have completed your previous studies at another New Zealand Institution to apply for this pathway. One of our assessors will evaluate your programme of study to confirm it matches the outcomes of the programme you wish to enrol in.

Please note, this option is not available for applicants who have completed a programme of study overseas.

Cross credit from one programme to another programme, may be granted at full credit for equivalent learning determined on a case-by-case basis.

Important information:

Student Loans/allowances: If you are considering applying for a student loan or allowance, you can do so after the cross credit process. Once you know how many credits you will be awarded and the tuition fees, you can contact Study Link for further assistance. For more details, visit [StudyLink](#).

Recommendation: We suggest starting the Cross Credit process at least 1 month before your programme start date. This allows enough time for evaluation and processing.

Criteria:

- Your previous studies must have been completed in New Zealand and within the last 5 years.
- You must be in New Zealand when applying for Cross Credit

Fees:

- **Admin Fee:** NZ\$200, including GST (non-refundable regardless of outcome) to be paid before your application is reviewed.
- **Credit Fee:** NZ\$20 per credit (including GST) awarded, payable after the evaluation is complete.

Example: If 3 unit standards of 10 credits each are awarded, the amount would be $30 \times \text{NZ\$}20 = \text{NZ\$}600$.

Note: The amount of credit awarded depends on how many outcomes can be matched. We cannot guarantee partial or full success of your application.

Required Evidence:

- **Proof of Payment:** NZ\$200 Cross Credit admin fee payment.
- **Official Transcript:** Submit a certified copy of your transcript and certificate of your completed or partially completed programme of study from the last 5 years. The transcript must include:
 - Total number of credits, hours or units required to complete the programme
 - Grades of C or above
- **Programme Level:** The level of your previous programme must be at the same or higher than the programme you wish to enrol in.
- **Important:** We do not accept result notices or letters of confirmation.

*Certified copies must be verified by an authorised person, for example: a Justice of the Peace, lawyer, barrister, or Notary Public.
